

GROW WITH INDIA'S BIGGEST AUTOMOBILE NAME. MARUTI SUZUKI.

**Dealer wanted
in Agra, Jammu
& Srinagar.**

MOVING FAST INTO THE FUTURE

Maruti Suzuki has been selling over 10 lakh cars every year for the last few years, significantly more than any other car maker in India. With ever-increasing sales volumes, India's favourite car company is moving at a tremendous pace. A corresponding rise in demand for automobile finance, insurance, car accessories, used cars, exchange and other auto-related services also adds to unmatched opportunity. In service, maintenance and sales of spare parts, over 100 lakh Maruti Suzuki cars already on the road form a potentially profitable market.

INVESTING IN INDIA

An advanced diesel engine plant, enhanced and upgraded production capacity to produce vehicles as per the growing demand, highly successful models like Alto 800, Alto K10, Omni, Eeco, WagonR, Swift, Dzire, Gypsy, Ertiga, CelerioX, Celerio, Vitara Brezza and forthcoming model launches all strengthen our leadership. Only 22 out of every 1000 Indians own cars, barely a fraction of the market's true potential. That's why Maruti Suzuki is making huge investments in India's growth story.

WE SEEK STRONG ENTREPRENEURIAL SKILLS

If you bring innovation and determined customer focus to the table, and combine entrepreneurial skills with ambition and drive, then you match our profile. Business experience, financial depth and infrastructure/land (approx. 4000 m²) available for the dealership will form the basis for evaluation. Prior automobile experience is not essential.
